An Evolution of Tradition Rooted in the Legacy of Our Founder

In 1952, Kemmons Wilson had a vision to provide hassle-free hospitality that exceeded customers’ expectations and called it Holiday Inn®. This vision grew to become the roadside home-away-from-home for millions of families. And today, it is the most well-known hotel brand in the world.

“It was my father’s vision to provide families better ways to vacation.”
— Spence Wilson, Sr.

Kemmons took traditional vacationing to a higher level by inviting families to take ownership of their vacations by creating Orange Lake Resort. And today, we are proud host to over 140,000 owners from around the world.

“My Granddad had a curiosity about everything and he never stopped searching for a better way. He felt like he was an everyday, common man and that he should create new and better ways for people just like him to spend time together.”
— Spence Wilson, Jr.

Kemmons’ son Spence and his family continue his father’s legacy by creating new and distinctive vacation adventures. The common heritage between Orange Lake Resort and Holiday Inn has brought two great companies back together as one ultimate vacation experience...Holiday Inn Club Vacations.
If You Think You Know Holiday Inn, Think Again...

Kemmons Wilson built the first Holiday Inn just off a two-lane highway on the outskirts of Memphis. The “extra” amenities found years ago seem commonplace in today’s world of hospitality: air conditioning, free parking, free ice and in-room phones.

But that was just the beginning of vacation experiences that now circle the globe. IHG (InterContinental Hotels Group), the largest hotel group in the world by number of rooms and owners of Holiday Inn, provides access to over 4,500 hotels worldwide for Club members.

Did you know...

- $1 Billion refresh announced October 2007
- Biggest single initiative in the hotel industry; over 3,200 hotels
- Completed in 2010
- Around the world, 3 people check into a Holiday Inn every second
- 9 out of 10 travelers have stayed at a Holiday Inn—more than any other brand

What does IHG’s $1 Billion investment mean to you?

It means the brand hallmarks established over 50 years ago by our founder, Kemmons Wilson, are being refreshed. The guest experience is being enhanced with signature bedding, comfy pillow choices, thirsty towels and shower head pressure you can depend on.

“The Holiday Inn hotel brand is re-visiting its grassroots—taking care of their customers’ needs and wants. We’re excited to see them come full-circle.”

—Kemmons Wilson, Jr.

Also, learn how your Deeded Vacation Ownership Points value is established, when Points are available for use and more.

This is the section that can turn you into a vacation powerhouse.
Holiday Inn Club Points

The most important aspect to understand about your vacation ownership is that your Deeded Ownership is assigned a Holiday Inn Club Points value. The Points value of your ownership is the source of all your vacationing power. And always remember, the more Points you have, the more powerful you are.

*Points for UDI ownership “Undivided Interest” are based on deeded UDI ownership.
The second most important thing to understand about your Holiday Inn Club Points is when they are available for use. Always remember we use a standard calendar year. Your assigned Points are allotted on January 1 of each year. They expire on December 31. This 12-month time frame is referred to as your Use Year. If you do not use your Points in a given Use Year, you can save them for use in the following Use Year only.*

Did you Know?

Your unused Points from your current Use Year will automatically save (one time only) into the next Use Year.

*Some restrictions may apply to the use of saved Points.
Thirdly, to make your Holiday Inn Club Points go further, keep in mind that weekend reservations (Friday and Saturday) have higher demand so require more Points than mid-week reservations (Sunday through Thursday), which have lower demand. Smaller villas require fewer Points than larger ones. Seasons in higher demand require more Points than those in less demand.

WAYS TO EXPAND YOUR POINTS:

- STAY mid-week (Sun – Thu)
- Reserve a smaller villa
- Vacation during the off-season

EXAMPLE

Let’s say a full week’s stay is worth 200,000 Holiday Inn Club Points. This means a:

Mid-Week Day = 20,000 Points
Weekend Day = 60,000 Points

Weekly value ÷ 10 = Mid-Week Day value
Mid-Week Day value × 3 = Weekend Day value

**Weekend Trip vs. Mid-Week Trip**

If you arrive on Friday and depart Sunday, it would require 120,000 Points
60,000 × 2 nights = 120,000 Points

However, if you arrive on Tuesday and depart on Thursday, it would require only 40,000 Points
20,000 × 2 nights = 40,000 Points

Be Prepared for the Unexpected

No one likes to lose a vacation. But sometimes the unexpected happens to interfere with your vacation plans. With POINTShield, you won’t have to worry about a last-minute change of plans. POINTShield gives you the ability to cancel your reservation up to 48 hours prior to your scheduled arrival without losing your Points.* For a minimal fee you can safely shield and protect your Points from whatever life throws your way.

*POINTShield must be purchased at the time of reservation. Reservation fees used to secure your vacation are non-refundable. Does not apply to member event, Club Partner, RCI, or Priority Club Rewards transactions.
You know how powerful your Points are. Now, you’re ready to discover the power that comes from knowing what you want to do and when to take action. Whether you want to:

A. RESERVE a date and villa at a Holiday Inn Club Member Resort (known as an Internal Reservation)
B. EXCHANGE Club Points for Priority Club points for hotel stays and other benefits
C. REQUEST a vacation at an RCI-affiliated resort (known as an External Exchange)
D. REDEEM your Points for additional products and services with Club Partners
E. SAVE, BORROW, RENT, or GIFT your vacation

Please note that members must be current on all maintenance and mortgage payments, as well as Club Dues, in order to transact. These windows do not apply to Signature Collection owners, whose reservations windows are listed on page 94.

The Power to Return

RESERVE FROM 3 YEARS TO 13 MONTHS PRIOR TO DESIRED ARRIVAL DATE*

You fell in love with the resort where you purchased your Home Week. It’s very likely you will want to return often. Choice and flexibility are key to your Club membership. So we’ve given you the ability to reserve 3 years to 13 months in advance, the most flexible program in the industry. It offers you the best of both worlds. Here’s how you will be able to have many happy returns. This window is for a 7-night stay in the villa you purchased.

*Call requirement applies to Holiday Inn Club members only. Applies to fixed week and Myrtle Beach Home Access priority week owners. May use any Use Year Points. Does not apply to UCI (Lake Geneva) or floating weeks 7 and 52 (Snowdance) owners. All maintenance fees, taxes, and Club dues must be current in order to make a reservation. No upgrades available for Home Access reservations including Signature Collection.
YOU MUST CALL TO RESERVE YOUR HOME WEEK

Call us as much as 3 years in advance, but no later than 13 months prior to your desired arrival date. The use of your villa and week is **guaranteed**. You will not be competing with anyone else. Please note that Home Access reservations can use any Points that do not expire by the travel date, however you cannot exceed the number of points required for your Home Week and units for that year.

**EXAMPLE**

If you purchased at Orange Lake Resort’s River Island during week 34, and you know you want to have a family reunion there in three years during your Home Week, let us know right away. Your Home Week is always guaranteed as long as you call at least 13 months prior to your desired arrival date. And there are no reservation fees for reserving your Home Week during the Home Access period.
Same Place, Different Time

RESERVE FROM 13 TO 10 MONTHS PRIOR TO DESIRED ARRIVAL DATE*

If you would like to return to your Home Resort during any other time that is not your Home Week, call us from 13 to 10 months prior to your desired arrival time. This window is for 7-night stays only on standard resort check-in days (Friday, Saturday, Sunday).

Remember: You will be competing with other Club members who own at your resort/village during the Resort Access Reservation Window, so the sooner you know when you’d like to return, the better your chances of successfully securing your desired date.

*Housekeeping fees may apply. Reservation fee applies for Club members who own a fixed or Home Access Priority Week. For Home Access Priority Week, no reservation fee applies when reserving the same season and unit type you own. Club member cannot exceed the total number of Points to which the member has usage rights at that specific resort/village, which includes any Points the member may have used in the Home Access reservation window.
The Power to Divide

RESERVE 10 MONTHS TO 60 DAYS PRIOR TO DESIRED ARRIVAL DATE

During the Open Access Period, you can make reservations at any Holiday Inn Club Member Resort—with a minimum 2-night stay.* Can't get away for a full week's vacation? No worries. Plan to take time off for a relaxing long weekend instead. Maybe there's a special sporting or cultural event you'd like to attend. Divide your Points and conquer a multitude of vacation dreams. If you want to split your stay at any of our member resorts into smaller stays, this is your first opportunity to make your reservation.

*This window requires a reservation fee. All maintenance fees, taxes, and Club dues must be current in order to make a reservation. Housekeeping fees may apply.

Power Tip: Know your Competition

Keep in mind that during this reservation window you will be competing for space and time with all Holiday Inn Club members, so be sure to make your reservation as soon as possible.
Let’s say you live in the Chicago area and own a two-bedroom Lock-off at Bay Point Resort in Panama City during the summer with a Points value of 192,000. You are scheduled to have a family reunion in Mobile, Alabama and decide afterward you’ll drive down to Panama City for a Tuesday through Friday fishing vacation during the Summer Season.

For this stay, you’ll need 57,600 Points. You book it just as soon as you see the opening in your schedule—well within the 10-month window.

You now have 134,400 Points in your Holiday Inn Club account. You like the mid-week break idea because the resorts are usually a little quieter. You’d like to try for a few days of golfing at Orange Lake Resort’s East Village. The Tuesday through Friday stay in a two-bedroom villa during Prime Season costs you just 39,900 Points, leaving you with 94,500 in your account.

Later in the year, you decide you’d like to spend a weekend during the Peak Season at Lake Geneva Resort, just a short drive away. You book a one-bedroom deluxe villa for a Friday check-in and Sunday check-out. Your Points requirement is just 82,200. You’ve had three wonderful getaways this year and still have 12,300 Points in your account. Next time you’ll remember to use some of your Points to purchase a massage through our Club Partners.
The Power to Take Off on a Whim

RESERVE FROM 59 DAYS TO 1 DAY PRIOR TO YOUR DESIRED ARRIVAL DAY

If you love spontaneous getaways and are flexible with your accommodations, the Instant Access Period was created for you. You can plan for any length of stay from two days to a full week at any Holiday Inn Club Member Resort. This reservation window is not the one to use for an important family vacation because you never know what will be available. But, it’s great for those last-minute plans.*

You may also benefit from lower Points requirements for stays reserved during the Instant Access Period. We occasionally have limited-time offers that vary throughout the year from resort to resort based on availability.

Power Tip: Stay in Touch

Be sure to call and give us your e-mail address in order to receive special offers during Instant Access windows. As soon as you see one, you’ll want to reserve right away, as availability will be very limited.

*This window requires a reservation fee. All maintenance fees, taxes and Club dues must be current in order to make a reservation. Housekeeping fees may apply.
The Power to Change

You may cancel your reservations within 24 hours of making them and receive 100% of your Points and reservation fees refunded. After the 24-hour grace period you will forfeit all reservation fees paid and Points per the chart above.†

Remember you can protect your Points with POINTShield and cancel up to 48 hours in advance of your expected arrival date. (See page 30.)

FEES
You pay no reservation or housekeeping fees when you use your Home Week during your Home Access period. Housekeeping fees may apply based on the number of reservations and/or the length of your stay.

To view the current list of fees, visit holidayinnclub.com. Please note that fees are subject to change.

† Cancellation and/or change fees may apply. Grace period does not apply to reservations made less than 48 hours in advance.

The Power to Globe Trot

Holiday Inn Club Points even give you the ability to make a reservation through RCI. Your Points will get you a variety of accommodations at more than 4,300 affiliated RCI resorts in over 100 countries.* In addition, you never have to bank your Points with RCI. Your Points stay in your Holiday Inn Club account until you’re ready to make a reservation.

When making an RCI reservation, your Holiday Inn Club Points will be converted into RCI Points. Just think of the conversion like the difference between temperatures registered in Fahrenheit and Celsius. The value is the same, but the expression of the value is different. Different numbers, yes, but they both feel the same to your skin.

Power Tip: Use Web Club Access

You don’t have to go through RCI to return to your Home Resort or any destination within Holiday Inn Club Member Resorts. Through our partnership with RCI, a special website has been created for Club members to transact RCI exchanges, view Holiday Inn Club Points available for RCI reservations, search resorts and more. Plus, your Points are shown in Holiday Inn Club Point values to make it easier for you to process your RCI transaction. Visit holidayinnclub.com/RCI to create and manage your RCI account.

*Please keep in mind that all RCI transactions require a transaction fee. RCI transaction fees are established by RCI and are subject to change.
reserving with RCI

EXAMPLE 1

Let's say your Home Week is valued at 176,000 Holiday Inn Club Points, or 88,000 RCI Points. You'd like to visit Williamsburg, VA, which offers everything from Busch Gardens to historic battlegrounds. You could stay in a 2-bedroom standard villa for as little as 40,000 RCI points! This means you have 96,000 Holiday Inn Club Points (or 48,000 RCI points) left over for future vacations or to use toward a car rental while in Williamsburg.

EXAMPLE 2

Let's say you own a one-bedroom Deluxe Lock-off villa during summer season with a Club Points value of 137,000 and want to go to Hawaii. You would like a same or similar sized villa, but you want to be on Waikiki Beach in February. The RCI points requirement is 48,500. With the conversion, you have 68,500 RCI points. So, you really don’t have to use all of your Points—just the amount required to complete your transaction, which is a total of 48,500 RCI Points. That leaves you with 40,000 Club Points (or 20,000 RCI Points) remaining in your account.
**You Have a Choice**

You can choose to use your Holiday Inn Club Points for reservations at RCI Weeks-affiliated resorts and RCI Points-affiliated resorts. Refer to your RCI Points Directory or go to RCI.com for a listing of resorts. Go to holidayinnclub.com/RCI to make your reservations.

**RCI Weeks**

If you wish to visit an RCI Weeks-affiliated resort, you can make reservations for seven-night stays only. But, you do have the flexibility to reserve your desired dates and accommodations two years in advance of your travel date.

**RCI Points**

When making a reservation to visit an RCI Points-affiliated resort, the minimum required stay is one night. You may make your RCI Points reservations up to 10 months in advance.

---

**Power Tip: Don’t Overspend Your Points**

Be careful when reserving your RCI vacation so that you do not overspend your Holiday Inn Club Points. Visit holidayinnclub.com/RCI to view your available Points prior to reserving with RCI. If you reserve using more than your available Points, you will be charged by Holiday Inn Club for the additional Points required to retain your RCI reservation. Also note that RCI charges a lower transaction fee for reservations made online versus those made through the RCI call center.
The Power to Choose

If you are a vacation owner at eligible RCI Weeks*-affiliated resorts and would like to turn those weeks into Holiday Inn Club Points, you have the power through the GlobalChoice program.

1. Deposit your current or future week with RCI at least 10 months prior to the start date of the week you’re depositing.

2. Once you receive a SpaceBank™ Acknowledgement letter from RCI, call a Holiday Inn Club Vacation Counselor at (877) 606-CLUB or (407) 905-1100 no later than 14 days prior to the start date of your deposited week to request Holiday Inn Club Points for your deposited week.

3. Pay a $75 fee for each week you deposit into Holiday Inn Club.

4. Your Holiday Inn Club Points will be deposited into your account within 7 business days.

*RCI Points (points-based resort weeks) or other clubs are not eligible to participate in the GlobalChoice program. This program is managed in conjunction with RCI and may be subject to change by RCI. Eligibility of individual resorts may change from year-to-year.

If you want to save Points to the following year, borrow Points from the future for a vacation now, or send family or friends on a special getaway, this section will give you the information you need to know to make a successful request.

**The Power to Save**

What if you dream of a vacation that will require two years worth of Points? Perfect. You can save your Points from one Use Year to use in the following Use Year. However, you may not accumulate Points for more than two consecutive Use Years. If for some reason you do not use your Points in the second Use Year, they will expire on December 31 of that year. Points automatically saved from the previous year will not change your membership level.

**EXAMPLE**

Let’s work with an ownership week with a Points value of 80,000. In Use Year one, you decide to save your Points to combine with next year’s for a vacation in Use Year two. So, you have 160,000 Points to use. But, something unexpected happens and you are unable to go on vacation that year. What happens to the 80,000 Points that were automatically rolled over from the previous year? They will expire if you do not use them before December 31 of that year. However, you can take advantage of our Points extension program* to stop your Points from expiring so the 80,000 Points from Use Year one can be saved and combined with the next year’s Points.

*Terms and conditions apply. Refer to page 57 for more information. Maximum of 350,000 Points eligible for extension per transaction. Extensions only apply to regular use Points expiring in the current calendar year. Points extensions are available from October 1 – December 31 of the current calendar year.
The Power to Borrow

If you have your heart set on taking a big vacation this year, but you just don’t have enough Points to pull it off, no problem. You have the power to borrow from your next year’s Points allocation.

We simply deduct the number of Points you want to use in the current Use Year from the next Use Year. You simply pre-pay the estimated maintenance fees for the number of Points you want to borrow and you’re ready to go. Your annual maintenance fee statement will reflect the pre-payment.

EXAMPLE

Let’s say you own a two-bedroom villa during the Value Season and your week is worth 100,000 Points, which is equal to a 7-night stay. You make a reservation for your full week in 2011, but you would like to stay three extra nights, which requires an additional 30,000 Points.

You can borrow the additional Points needed to complete your reservation from your 2012 Points allocation for just $4 per 1,000 Holiday Inn Club Points.* You’ll pay $120 for the additional Points (30,000/1,000 x $4) and you can now enjoy 10 nights in Orlando. The 30,000 Points borrowed will be deducted from your 2012 Points allocation, so you will have 70,000 Points remaining to use in 2012†. This purchase would then be credited to your account for your estimated 2012 maintenance and taxes.

*Fees subject to change. †Club Points will automatically save for one additional Use Year following the Use Year in which they were allocated.
The Power to Give

Do you have friends or family members you’d like to treat to a special vacation? Your Holiday Inn Club membership gives you the power to please others with this very special feature.

All you have to do is call during the appropriate time indicated on the Reservations Window chart to make the reservation. Then, print out a Guest of Member form from holidayinnclub.com and fax or mail the completed form to Holiday Inn Club at:

Holiday Inn Club
8505 W. Irlo Bronson Memorial Hwy.
Kissimmee, FL 34747-8201
(877) 606-CLUB (2582)
on (407) 905-1100
Fax: (407) 905-1120

We’ll send your friends or family members a confirmation of their reservation and make sure the villa is ready for their arrival.

Note: This benefit applies only to reservations made within Holiday Inn Club and does not include RCI-affiliated resorts.
The Power to Rent Points

Even though you’re an owner with an established Deeded Ownership Points value, there may be times when you need a few extra Points to create a special dream vacation. Each year you have the privilege of being able to rent a percentage of your annual Points allotment.

Depending on the level of your membership, you can rent between 50% and 100% of your Points. For more information, call your Holiday Inn Club Vacation Counselor.

Signature Collection

Your signature is as distinctive as you are and your needs are just as unique. Not merely a measure of who you are, this individual expression of identity is more a reflection of your personality, character and taste.

It is with this sense of distinction and insight that we created the Signature Collection, an expression of luxury and hospitality fashioned for the most discerning. Indeed, an expression of you.
An Expression of Comfort

Everything about the Signature Collection is meticulously planned, from the distinctive design pattern that emblazons fine, custom-embroidered linens, unique headboards, drapes and other furnishings to gourmet coffee for those relaxing mornings on the enclosed patio.

Available in floor plans ranging from 1-bedroom villas to 4-bedroom penthouses, each offering unique features. Attention to detail is apparent. Custom, coffered ceilings draw your attention to the multi-level tray ceilings. Such conveniences as a personal iPod® docking station, flat screen television in the kitchen, granite countertop finishes and designer tiles deliver an upscale, pampered environment.

These are just a few of the special details available to you when upgrading your membership to the Signature Collection. Although you will find unique experiences from location to location, the attention to detail will be consistent, allowing you to get the most out of your vacation and ensuring your stay will be a special one.

Importantly, the Signature Collection was created to allow you to celebrate family and friends, while also creating a legacy for luxurious vacations for generations to come.
